

Get More Done with whitepace

Project management software that enables your teams to collaborate, plan, analyze and manage everyday tasks

[Try Whitepace free](#)

Project Management

Images, videos, PDFs and audio files are supported. Create math expressions and diagrams directly from the app. Take photos with the mobile app and save them to a note.

[Get Started](#)

Work together

With whitepace, share your notes with your colleagues and collaborate on them. You can also publish a note to the internet and share the URL with others.

[Try it now](#)

Use as Extension

Use the web clipper extension, available on Chrome and Firefox, to save web pages or take screenshots as notes.

[Let's Go](#)

Customise it to your needs

Customise the app with plugins, custom themes and multiple text editors (Rich Text or Markdown). Or create your own scripts and plugins using the Extension API.

100% your data

The app is open source and your notes are saved to an open format, so you'll always have access to them. Uses End-To-End Encryption (E2EE) to secure your notes and ensure no-one but yourself can access them.
